

# Welcome to Preschool

Reading to your child is one of the most important activities you could do to help with your child's language development, focusing skills, memory, and much more.

As such, we would like to provide you with a suggested reading list of best selling children's books you can enjoy with your little one during the summer!

Please also visit the link below to obtain additional information on the importance of reading and how to promote the love for reading within your child.
