

Señora Mendoza de Trusch
Spanish Teacher

I graduated from the University of Guadalajara in México. My love for linguistics lead me to obtain a Masters Degree in Language with an emphasis in Spanish and French. Upon completing my Masters Degree, I began to volunteer at Superior Street School in an E. S. L. program which enabled me to gain experience in the American schooling system. In 1986, I taught Spanish at Miss Bailey's School in Northridge and in 1988, I started my journey of teaching at Egremont School in Chatsworth, California. I have had the immense pleasure of being a part of the Egremont family for the past 28 years. It has afforded me the opportunity to open the minds of young people by teaching them the beauty of being able to express themselves in a different language. I believe it is important to not only provide an environment which inspires learning, but also one that promotes a joyful experience throughout the learning process. I aspire to motivate all learners to embrace this experience and believe in their abilities to master this language.
