

Welcome to  
**Kindergarten!**

Read with your child  
for 10 minutes each day.

This will help develop fluency.

We encourage you to pick books  
with topics your child enjoys.

Some of Mrs. House's favorites include:  
Pete the Cat and Henry and Mudge.

As you spend time with your child,  
look for familiar words and numbers.

Good places to search are at  
the grocery store,  
traveling in the car,  
and around the house.

Have your child  
share what they find!
